Width 2.5 cm

Diameter

Full

Verbal Description

Candelero fragment. 3 partial chambers are visible.

The chambers are 2.8 cm in height. The interiors of all the chambers & the connecting
 interior walls are burnt. The exterior wall is not. The top & base are smoothed over &
 not a lot of inclusions stick out of the paste. The exterior wall has two diagonal
 incised lines that cross forming a X. The center of the X is located more towards the
 bottom of the fragment. No paint or slip.
